

The Linda Tolmonen Memorial Award

The Municipality of Dorion is pleased to honour the memory of Linda Tolmonen. The Linda Tolmonen Memorial Award is awarded in memory of Linda, former Reeve and outstanding citizen of the Dorion community for more than many years.

Linda joined Dorion Council in 2000. The Township of Dorion was going through difficult times after losing its largest employers and tax base. When Linda became Reeve, in 2004, she worked very hard at restructuring and improving how services in Dorion were delivered. Linda worked endlessly in assisting Renewable Energy Systems Canada (RES) to compile data and submit applications all in support of the Greenwich Windfarm.

This award recognizes Linda's strong support of Enbridge's Greenwich Windfarm and her ability to foresee the benefits this investment would bring to the municipality of Dorion.

The award, for \$1,000 will be announced each year at Christmas Tree Lighting celebrations.
