DORION TOWNSHIP

Canyon Country

Bill 36 ~ *Ontario Cannabis Statute Law*

Amendment Act 2018 – **Information Session**

November 8, 2018

As a resident of Dorion it is important that you are aware that the municipality must decide, prior to the January 22, 2019, if we want to allow a cannabis retail business license to be issued within the Township of Dorion.

Municipal governments have a one-time opportunity to OPT OUT of cannabis retail in their communities. If we decide to OPT OUT we can, if circumstances change, OPT IN later.

Allowing a cannabis retail license within the community would likely increase the costs of Policing, Public Health, By-law Enforcement and Public Health issues.

These additional costs would be downloaded to the tax payers.
